

Leisure Industry Week BeaverFit Press Release

BeaverFit is a British institution of strength conditioning equipment. We design, manufacture and distribute training equipment for strength and endurance development in all athletes. We are at the forefront of functional fitness equipment in the UK.

We are pleased to supply equipment to CrossFit gyms, rugby clubs, American football clubs, athletic clubs, expedition training, football clubs MMA gyms, commercial gyms, police gyms and home gyms.

We produce various drag sleds, logs, farmers walks, yokes, pull up rigs and racks which are designed and made in the UK. We sell truly solid equipment which will withstand the toughest of abuse.

We sell Cross Gym weightlifting bars, bumper plates, kettlebells, dumbbells, ropes, bands, chains and other tools to offer the best range of functional fitness equipment on the market.

We have a bespoke equipment and gym design service and no job is too big or too small. The BeaverFit team are athletes and we know what athletes need which means our bespoke service is the best.

BeaverFit will be at Leisure Industry Week 2010 and will be bringing a full range of equipment to showcase. Please come and visit our stand we will be happy to answer any questions.
